

Submitter: Angie Doty
On Behalf Of: myself
Committee: House Committee On Rules
Measure: SB166

I OPPOSE SB166. Do not take away our right to public information and the ability to hold election officials accountable!

The citizens and voters have every right to ensure our elections are fair. We also have the right to ensure our officials are acting as they should since they work for us.

When election information is held secretly and difficult to get at it begs the question "what are officials trying to hide?"
