

Submitter: Kathy Wilmot

On Behalf Of:

Committee: House Committee On Rules

Measure: SB166

SB 166 is another effort to hide the truth and conceal information from Oregon citizens about voter transparency. In the not too distant past some counties provided ballot images for a nominal fee. However, this has changed. This bill further erodes trust in our election integrity making it more difficult for citizens to procure those ballot images at a reasonable cost. Your vote against this bill is a vote for fair elections.
