Committee: Joint Committee On Transportation

Measure: HB3382

I have been a resident of Coos County since 1977, and I love the clean air and outdoor recreation opportunities here. I oppose HB 3382 because it would allow the avoidance of land use and environmental regulations to fast track dredging of our Coos Bay. I think that will harm the living critters in the sand and waters. So please vote no on the port exemption bill.

Thank you.
