

Submitter: Martin Kuhrt
On Behalf Of:
Committee: House Committee On Rules
Measure: SB166

Shemia Fagan suggested this bill and has since resigned in disgrace. This bill should be tossed for that reason alone.

Adding penalties for "harassing" an election worker means that anyone that questions an election outcome can be charged with a crime. This will DECREASE election transparency and threaten anyone that wants to get factual information about election results.

Adding more roadblocks to election integrity is not something that is done in free, fair, and just elections.
