

Submitter: Paul Emge
On Behalf Of:
Committee: House Committee On Rules
Measure: SB166

I want to thank our FORMER Secretary of State for her testimony on this bill. In her testimony she states rather clearly that everything this bill claims to propose is already in law and in practice. I think all people, including election workers, should not live in fear of violence. This bill does nothing to extend protections, it only seems to remove some transparency from our election process. Please vote NO on SB 166. Thank you.
