Committee: House Committee On Rules

Measure: SB166

I OPPOSE SB166. Do not take away our right to public information and the ability to hold election officials accountable! There is no need to create specific laws against any group--it is already illegal to harass anyone; who will determine what is harassment and what is free speech? This proposed law is far too vague and is open for officials to remove the Peoples' right to have a voice in who we elect.

Thank you.
