

Submitter: Andrea Durbin
On Behalf Of:
Committee: Senate Committee On Rules
Measure: SB775

Dear Committee Members,

I live in Multnomah County and I think that anyone should be legally able to run for Soil & Water Conservation District Director. The current restrictions are particularly challenging for those districts with urban areas and larger populations. I appreciate the good work that legislators have done to modify this bill. The result is a thoughtful compromise and long overdue.

Thank you for your consideration!
