

Submitter: Gabrielle Hladik

On Behalf Of:

Committee: Senate Committee On Rules

Measure: SB775

I live in Multnomah County and I think that anyone should be legally able to run for Soil & Water Conservation District Director. The current restrictions are particularly challenging for those districts with urban areas and larger populations. This is a thoughtful compromise. I also believe all people should be able to run for these seats, regardless of their ability to inherit or buy large sums of land.
