HB3625 Testimony
House Committee on Rules

Chair and Committee Members:

My name is Dannah Taylor. My family has been settlers and residents in the Willamette Valley for seven generations. I am District Captain for HD27 and Oregon Grassroots Coordinator for Convention of States here in Oregon.

I agree with Bill HB3625 proposed by the Oregon House of Representatives Rules Committee chaired by Representative Fahey. I appreciate the accuracy of the description of an Article V Convention of States. And feel the clarity of the Rules Committee description and actions brings a likely strong and favorable vote.

With Best Regards,

Dannah Taylor
Oregon Convention of States
State Grassroots Coordination and District Captain.
