On Behalf Of:

Committee: Senate Committee On Finance and Revenue

Measure: SB774

I stand in strong opposition to SB 774

We did not vote for legislators to keep “our money” that is surplus tax revenue. We paid our taxes; if there is a surplus then we were overcharged, and the funds should be returned to us.

This is oppressive and malevolent on the part of the government to take what is not yours and keep it. We have been crushed by all the Covid mandates and our rising inflation over the past three years which continues to rise. This is surplus taxpayer money that belongs to us not the state of Oregon.

It is wrong to amend the Oregon Constitution to keep surplus revenue from the taxpayers who paid it. This is government theft of money that is not yours.

Vote NO on SB 774
