I oppose taking our kicker tax credit because that is money that as a taxpayer I have paid into the system. As the Oregon website describes, it is a way for the state government to return some of Oregonian's taxes. The kicker was voted into the Oregon Constitution in 2000 to ensure lawmakers wouldn't suspend it and keep the money without a two-thirds vote in both chambers. This is not for one group to decide what happens with excess money. You are acting as a dictatorship when it comes to the money that we as taxpayers pay to you to spend for the good of the people of Oregon. We the people....

Stop taking our money just because you think we aren't watching. We are watching and we are tired of your crap.
