

Submitter: Jsmes Schultz

On Behalf Of:

Committee: Senate Committee On Finance and Revenue

Measure: SB774

I urge that the Tax Kicker law be honored and kept in place. This is one of the very few tools the tax payers of Oregon have to help bring balance to state spending. Many Oregonians are struggling financially to meet their basic needs. Please consider the daily lives of your state residents and how much that tax refund can be a positive impact on their lives.
