Committee: Senate Committee On Finance and Revenue

Measure: SB774

Oregon citizens are struggling right now with high prices and taxes. Costs to feed a family have almost doubled. Taxes go up every year. Utility costs are skyrocketing. Incomes have not budged. Everyone I know is digging into savings or getting a second or even third job just to make ends meet. People need kicker checks now more than ever before, just to pay for basics. Please don't keep our money. Thank you.
