HOUSE DISTRICT 60**

February 12, 2024

Dear President Wagner, Representative McIntire, and members of the Senate Education Committee,

I would like to express my thanks for your work and collaboration on SB 1502 and providing the -3 amendment after hearing my testimony on the bill last week. I appreciate the time you have taken to hear the voice of my rural community and implement changes to the bill creating a positive impact for our very small school boards. I fully support SB 1502 with the – 3 amendment.

Sincerely,

Representative Mark Owens  
House District 60
