

SUBCOMMITTEE RECOMMENDATION

Department of Justice Legal Tools Replacement Project 3.0

To: Ways and Means Full Committee
From: Public Safety Subcommittee
Carrier: Representative Evans

On February 15th, the Public Safety Subcommittee recommended acknowledging receipt of a report from the Department of Justice on Legal Tools Replacement Project 3.0.

The Legal Tools Replacement Project 3.0 remains critical to replacing DOJ's legacy case management, timekeeping, and billing applications with a commercial-off-the-shelf product. After submission of the report, DOJ reported that that agency has begun contract negotiations with a solution vendor. The final scope, schedule, and budget of the project are yet-to-be determined.

The Public Safety Subcommittee recommends approval.
