SB 1501 is a non-appropriation measure that makes necessary changes in statutes and session law to support the 2023-25 legislatively approved budget, to clarify the application of statutes for the budget, and modify provisions relating to the use of funds.

The measure:

- Expands the allowable uses of monies in the Long-Term Rent Assistance Fund.
- Establishes the Private Security Entity Account for the new DPSST program.
- Repeals a \$40 million transfer from the Public Employees' Benefit Board Revolving Fund to the General Fund.
- Increases the transfer from the PEBB Revolving Fund to the DAS Risk Insurance Fund by \$40 million and changes the transfer date to May 1st, 2024.
- Extends the sunset on the Tide Gate Grant Program.
