**Bill Title:** Relating to education; prescribing an effective date.

**Government Unit(s) Affected:** Department of Education, School Districts, Department of Consumer and Business Services

**Summary of Fiscal Impact**

This fiscal impact statement is for the purpose of transmitting the measure from the House Committee on Education to the Joint Committee on Ways and Means.

HB 4077 -3 requires the Department of Education (ODE), in consultation with the Department of Consumer and Business Services, to develop and implement a standardized method to be used by school districts and education service districts to record school workplace safety incidents. The measure warrants a subsequent referral to the Joint Committee on Ways and Means because ODE will need additional budgetary resources, including additional positions and information technology services to comply with the measure.

A more complete fiscal analysis on the measure will be prepared as the measure is considered in the Joint Committee on Ways and Means.
