18 **SECTION 4.** ORS 109.322 is amended to read:

19 109.322. (1) If a parent has been adjudged to be a person with mental illness under ORS 426.130  
20 [*or a person with an intellectual disability who is in need of commitment for residential care, treatment*  
21 *and training under ORS 427.290,*] and remains so at the time of the adoption proceedings, or if a  
22 parent is imprisoned in a state or federal prison under a sentence for a term of not less than three  
23 years and has actually served three years, the petitioner, in accordance with ORS 109.330, shall  
24 serve on the parent, if the parent has not consented in writing to the adoption, a summons and a  
25 motion and order to show cause why the adoption of the child should not be ordered without the  
26 parent's consent.

27 (2) In the case of a parent adjudged to be a person with mental illness under ORS 426.130 [*or*  
28 *a person with an intellectual disability who is in need of commitment for residential care, treatment*  
29 *and training under ORS 427.290*], the petitioner shall also serve the summons and the motion and  
30 order to show cause upon the guardian of the parent. If the parent has no guardian, the court shall  
31 appoint a guardian ad litem to appear for the parent in the adoption proceedings.

32 (3) Upon hearing, except as provided in ORS 109.330 (8) if the child is an Indian child, if the  
33 court finds that the adoption is in the best interests of the child, the consent of the parent who is  
34 imprisoned or adjudged to be a person with mental illness [*or an intellectual disability*] is not re-  
35 quired, and the court may proceed regardless of the objection of the parent.

36 (4) This section does not apply when consent is given in loco parentis under ORS 109.325 or  
37 109.327.

38 **SECTION 5.** ORS 161.367 is amended to read:

39 161.367. (1) If at any time the court determines that the defendant lacks fitness to proceed, the  
40 court shall further determine whether there is a substantial probability that the defendant, in the  
41 foreseeable future, will gain or regain fitness to proceed. If the court determines that there is no  
42 substantial probability that the defendant, in the foreseeable future, will gain or regain fitness to  
43 proceed, the court shall dismiss, without prejudice and in accordance with subsection (6) of this  
44 section, all charges against the defendant and:

45 (a) Order that the defendant be discharged; or

1 (b) Initiate commitment proceedings under ORS 426.070[,] **or** 426.701 [*or 427.235 to 427.292*].

2 (2)(a) The superintendent of the hospital or director of the facility in which the defendant is  
3 committed under ORS 161.370 or a person examining the defendant as a condition of release to  
4 community restoration services shall notify the court if the defendant gains or regains fitness to  
5 proceed.

6 (b) A party to the case may notify the court if the defendant has gained or regained fitness to  
7 proceed.

8 (c) The court may, upon its own motion or the request of either party, hold a hearing to deter-  
9 mine whether the defendant has gained or regained fitness to proceed. If the court determines that  
10 the defendant has gained or regained fitness to proceed, the court shall resume the criminal pro-  
11 ceeding unless the court determines that so much time has elapsed since the commitment or release  
12 of the defendant to community restoration services that it would be unjust to resume the criminal  
13 proceeding. If the court determines that it would be unjust to resume the criminal proceeding, the  
14 court, on motion of either party, may dismiss the charge in accordance with subsection (6) of this  
15 section, and may order the defendant to be discharged or cause a proceeding to be commenced  
16 forthwith under ORS 426.070 to 426.170[,] **or** 426.701 [*or 427.235 to 427.292*].

17 (3) If the defendant gains or regains fitness to proceed, the defendant shall be given credit  
18 against each charge alleged in the accusatory instrument for each day the defendant was committed  
19 under ORS 161.370 to the custody of a state mental hospital, or to the custody of a secure intensive  
20 community inpatient facility designated by the Oregon Health Authority.

21 (4) Notwithstanding the suspension of the criminal proceeding under ORS 161.370 (2), the fact  
22 that the defendant is unfit to proceed does not preclude any objection through counsel and without  
23 the personal participation of the defendant on the grounds that the indictment is insufficient, that  
24 the statute of limitations has run, that double jeopardy principles apply or upon any other ground  
25 at the discretion of the court which the court deems susceptible of fair determination prior to trial.

26 (5) At the time that the court determines that the defendant lacks fitness to proceed under ORS  
27 161.370 (2), the court shall notify the defendant in writing that federal law prohibits the defendant  
28 from purchasing or possessing a firearm unless the person obtains relief from the prohibition under  
29 federal law. The court shall again notify the defendant in writing of the prohibition if the court finds  
30 that the defendant has gained or regained fitness to proceed under subsection (2) of this section.

31 (6) If the court intends to dismiss all charges involving orders of commitment against a defend-  
32 ant who is committed to and currently located at a state mental hospital or other facility, the court  
33 shall order that the defendant be immediately transported back to the jurisdiction in which the  
34 charges were initiated, and the dismissal shall take effect only upon the defendant's arrival in that  
35 jurisdiction.

36 **SECTION 6.** ORS 161.370 is amended to read:

37 161.370. (1)(a) When the defendant's fitness to proceed is drawn in question, the issue shall be  
38 determined by the court.

39 (b) If neither the prosecuting attorney nor counsel for the defendant contests the finding of the  
40 report filed under ORS 161.365, the court may make the determination on the basis of the report.  
41 If the finding is contested, the court shall hold a hearing on the issue. If the report is received in  
42 evidence in the hearing, the party who contests the finding has the right to summon and to cross-  
43 examine any certified evaluator who submitted the report and to offer evidence upon the issue.  
44 Other evidence regarding the defendant's fitness to proceed may be introduced by either party.

45 (2)(a) If the court determines that the defendant lacks fitness to proceed, the criminal proceeding

1 against the defendant shall be suspended and the court shall proceed in accordance with this sub-  
2 section.

3 (b) After making the determination under paragraph (a) of this subsection, the court shall re-  
4 ceive a recommendation from a community mental health program director or the director's  
5 designee, and from any local entity that would be responsible for treating the defendant if the de-  
6 fendant were to be released in the community, concerning whether appropriate community restora-  
7 tion services are present and available in the community.

8 (c) If the parties agree as to the appropriate action under this section, the court may, after  
9 making all findings required by law, enter any order authorized by this section. If the parties do not  
10 agree as to the appropriate action, the court and the parties shall, at a hearing, consider an ap-  
11 propriate action in the case, and the court shall make a determination and enter an order necessary  
12 to implement the action. In determining the appropriate action, the court shall consider the primary  
13 and secondary release criteria as defined in ORS 135.230, the least restrictive option appropriate for  
14 the defendant, the needs of the defendant and the interests of justice. Actions may include but are  
15 not limited to:

16 (A) Commitment for the defendant to gain or regain fitness to proceed under subsection (3) or  
17 (4) of this section;

18 (B) An order to engage in community restoration services, as recommended by the community  
19 mental health program director or designee, under subsection (6) of this section;

20 (C) Commencement of a civil commitment proceeding under ORS 426.070 to 426.170[,] **or** 426.701  
21 [or 427.235 to 427.292];

22 (D) Commencement of protective proceedings under ORS chapter 125; or

23 (E) Dismissal of the charges pursuant to ORS 135.755 and in accordance with ORS 161.367 (6).

24 (d) If the court, while considering or ordering an appropriate action under this subsection, does  
25 not order the defendant committed to a state mental hospital or other facility, but finds that ap-  
26 propriate community restoration services are not present and available in the community, for any  
27 defendant remaining in custody after such determination, the court shall set a review hearing seven  
28 days from the date of the determination under paragraph (a) of this subsection. At the review  
29 hearing, the court shall consider all relevant information and determine if commitment to the state  
30 mental hospital or other facility is appropriate under subsection (3) or (4) of this section, or if an-  
31 other action described in paragraph (c) of this subsection is appropriate. At the conclusion of the  
32 hearing the court shall enter an order in accordance with the defendant's constitutional rights to  
33 due process.

34 (e) If the court determines that the appropriate action in the case is an order for the defendant  
35 to engage in community restoration services, but the defendant has a pending criminal case, warrant  
36 or hold in one or more other jurisdictions, the other jurisdictions shall, within two judicial days of  
37 becoming aware of the proceeding under this section, communicate with the court and the other  
38 jurisdictions, if applicable, to develop a plan to address the interests of all jurisdictions in the de-  
39 fendant in a timely manner.

40 (3)(a) If the most serious offense in the charging instrument is a felony, the court shall commit  
41 the defendant to the custody of the superintendent of a state mental hospital or director of a facility  
42 designated by the Oregon Health Authority if the defendant is at least 18 years of age, or to the  
43 custody of the director of a secure intensive community inpatient facility designated by the author-  
44 ity if the defendant is under 18 years of age, if the court makes the following findings:

45 (A) The defendant requires a hospital level of care due to public safety concerns if the defendant

1 is not hospitalized or in custody or the acuity of symptoms of the defendant's qualifying mental  
2 disorder; and

3 (B) Based on the findings resulting from a consultation described in ORS 161.365 (1), if applica-  
4 ble, from any information provided by community-based mental health providers or any other  
5 sources, and primary and secondary release criteria as defined in ORS 135.230, the appropriate  
6 community restoration services are not present and available in the community.

7 (b) If the defendant is committed under this subsection, the community mental health program  
8 director, or director's designee, shall at regular intervals, during any period of commitment, review  
9 available community restoration services and maintain communication with the defendant and the  
10 superintendent of the state mental hospital or director of the facility in order to facilitate an effi-  
11 cient transition to treatment in the community when ordered.

12 (c) If the court does not order the commitment of the defendant under this subsection, the court  
13 shall proceed in accordance with subsection (2)(c) of this section to determine and order an appro-  
14 priate action other than commitment.

15 (4)(a) If the most serious offense in the charging instrument is a misdemeanor, the court may  
16 not commit the defendant to the custody of the superintendent of a state mental hospital or director  
17 of a facility designated by the Oregon Health Authority if the defendant is at least 18 years of age,  
18 or to the custody of the director of a secure intensive community inpatient facility designated by  
19 the authority if the defendant is under 18 years of age, unless the court:

20 (A)(i) Receives a recommendation from a certified evaluator that the defendant requires a hos-  
21 pital level of care due to the acuity of symptoms of the defendant's qualifying mental disorder; and

22 (ii) Receives a recommendation from a community mental health program director, or director's  
23 designee, that the appropriate community restoration services are not present and available in the  
24 community; or

25 (B) Determines that the defendant requires a hospital level of care after making all of the fol-  
26 lowing written findings:

27 (i) The defendant needs a hospital level of care due to the acuity of the symptoms of the  
28 defendant's qualifying mental disorder;

29 (ii) There are public safety concerns; and

30 (iii) The appropriate community restoration services are not present and available in the com-  
31 munity.

32 (b) If at the time of determining the appropriate action for the case, the court is considering  
33 commitment under paragraph (a)(A) of this subsection and:

34 (A) Has not received a recommendation from a certified evaluator as to whether the defendant  
35 requires a hospital level of care due to the acuity of symptoms of the defendant's qualifying mental  
36 disorder, the court shall order a certified evaluator to make such a recommendation.

37 (B) Has not received a recommendation from the community mental health program director or  
38 designee concerning whether appropriate community restoration services are present and available  
39 in the community, the court shall order the director or designee to make such a recommendation.

40 (c) If the court does not order the commitment of the defendant under this subsection, the court  
41 shall proceed in accordance with subsection (2)(c) of this section to determine and order an appro-  
42 priate action other than commitment.

43 (d) If the defendant is committed under this subsection, the community mental health program  
44 director, or director's designee, shall at regular intervals, during any period of commitment, review  
45 available community restoration services and maintain communication with the defendant and the

1 superintendent of the state mental hospital or director of the facility in order to facilitate an effi-  
2 cient transition to treatment in the community when ordered.

3 (5) If the most serious offense in the charging instrument is a violation, the court may not  
4 commit the defendant to the custody of the superintendent of a state mental hospital or director of  
5 a facility designated by the Oregon Health Authority if the defendant is at least 18 years of age,  
6 or to the custody of the director of a secure intensive community inpatient facility designated by  
7 the authority if the defendant is under 18 years of age.

8 (6)(a) If the court does not order the commitment of the defendant under subsection (3) or (4)  
9 of this section, if commitment is precluded under subsection (5) of this section or if the court de-  
10 termines that care other than commitment would better serve the defendant and the community, the  
11 court shall release the defendant, pursuant to an order that the defendant engage in community  
12 restoration services, until the defendant has gained or regained fitness to proceed, or until the court  
13 finds there is no substantial probability that the defendant will, within the foreseeable future, gain  
14 or regain fitness to proceed. The court may not order the defendant to engage in community resto-  
15 ration services in another county without permission from the other county.

16 (b) The court may order a community mental health program director coordinating the  
17 defendant's treatment in the community to provide the court with status reports on the defendant's  
18 progress in gaining or regaining fitness to proceed. The director shall provide a status report if the  
19 defendant is not complying with court-ordered restoration services.

20 (c) A community mental health program director coordinating the defendant's treatment in the  
21 community shall notify the court if the defendant gains or regains fitness to proceed. The notice  
22 shall be filed with the court and may be filed electronically. The clerk of the court shall cause  
23 copies of the notice to be delivered to both the district attorney and the counsel for the defendant.

24 (d) When a defendant is ordered to engage in community restoration services under this sub-  
25 section, the court may place conditions that the court deems appropriate on the release, including  
26 the requirement that the defendant regularly report to a state mental hospital or a certified evalu-  
27 ator for examination to determine if the defendant has gained or regained fitness to proceed.

28 (7) The Oregon Health Authority shall establish by rule standards for the recommendation pro-  
29 vided to the court described in subsection (2) of this section.

30 **SECTION 7.** ORS 161.371 is amended to read:

31 161.371. (1) The superintendent of a state mental hospital or director of a facility to which the  
32 defendant is committed under ORS 161.370 shall cause the defendant to be evaluated within 60 days  
33 from the defendant's delivery into the superintendent's or director's custody, for the purpose of de-  
34 termining whether there is a substantial probability that, in the foreseeable future, the defendant  
35 will have fitness to proceed. In addition, the superintendent or director shall:

36 (a) Immediately notify the committing court if the defendant, at any time, gains or regains fit-  
37 ness to proceed or if there is no substantial probability that, within the foreseeable future, the de-  
38 fendant will gain or regain fitness to proceed.

39 (b) Within 90 days of the defendant's delivery into the superintendent's or director's custody,  
40 notify the committing court that:

41 (A) The defendant has present fitness to proceed;

42 (B) There is no substantial probability that, in the foreseeable future, the defendant will gain  
43 or regain fitness to proceed; or

44 (C) There is a substantial probability that, in the foreseeable future, the defendant will gain or  
45 regain fitness to proceed. If the probability exists, the superintendent or director shall give the court

1 an estimate of the time in which the defendant, with appropriate treatment, is expected to gain or  
2 regain fitness to proceed.

3 (c) Notify the court if court-ordered involuntary medication is necessary for the defendant to  
4 gain or regain fitness to proceed and, if appropriate, submit a report to the court under ORS 161.372.

5 (2)(a) If the superintendent of the state mental hospital or director of the facility to which the  
6 defendant is committed determines that there is a substantial probability that, in the foreseeable  
7 future, the defendant will gain or regain fitness to proceed, unless the court otherwise orders, the  
8 defendant shall remain in the superintendent's or director's custody where the defendant shall re-  
9 ceive treatment designed for the purpose of enabling the defendant to gain or regain fitness to pro-  
10 ceed. In keeping with the notice requirement under subsection (1)(b) of this section, the  
11 superintendent or director shall, for the duration of the defendant's period of commitment, submit  
12 a progress report to the committing court, concerning the defendant's fitness to proceed, at least  
13 once every 180 days as measured from the date of the defendant's delivery into the superintendent's  
14 or director's custody.

15 (b) A progress report described in paragraph (a) of this subsection may consist of an update to:

16 (A) The original examination report conducted under ORS 161.365; or

17 (B) An evaluation conducted under subsection (1) of this section, if the defendant did not receive  
18 an examination under ORS 161.365.

19 (3)(a) Notwithstanding subsection (2) of this section, if the most serious offense in the charging  
20 instrument is a felony, and the superintendent of the state mental hospital or director of the facility  
21 to which the defendant is committed determines that a hospital level of care is no longer necessary  
22 due to present public safety concerns and the acuity of symptoms of the defendant's qualifying  
23 mental disorder, the superintendent or director may file notice of the determination with the court.  
24 Upon receipt of the notice, the court shall order that a community mental health program director  
25 or the director's designee, within five judicial days:

26 (A) Consult with the defendant and with any local entity that would be responsible for providing  
27 community restoration services, if the defendant were to be released in the community, to determine  
28 whether community restoration services are present and available in the community; and

29 (B) Provide the court and the parties with recommendations from the consultation.

30 (b) Notwithstanding subsection (2) of this section, if the most serious offense in the charging  
31 instrument is a felony, and the community mental health program director determines that commu-  
32 nity restoration services that would mitigate any risk posed by the defendant are present and  
33 available in the community, the community mental health program director may file notice of the  
34 determination with the court. Upon receipt of the notice, the court shall order that the superinten-  
35 dent of the state mental hospital or director of the facility to which the defendant is committed,  
36 within five judicial days:

37 (A) Evaluate the defendant to determine whether a hospital level of care is no longer necessary  
38 due to present public safety concerns, or no longer necessary due to the acuity of symptoms of the  
39 defendant's qualifying mental disorder; and

40 (B) Provide the court and the parties with recommendations from the evaluation.

41 (c) Within 10 judicial days of receiving the recommendations described in paragraph (a) or (b)  
42 of this subsection, the court shall hold a hearing to determine an appropriate action in accordance  
43 with ORS 161.370 (2)(c) as follows:

44 (A) If, after consideration of the factors and possible actions described in ORS 161.370 (2)(c) and  
45 any recommendations received under paragraph (a) or (b) of this subsection, the court determines

1 that a hospital level of care is necessary due to public safety concerns or the acuity of symptoms  
2 of the defendant's qualifying mental disorder, and that based on the consultation or evaluation de-  
3 scribed in paragraph (a) or (b) of this subsection, any information provided by community-based  
4 mental health providers or any other sources, primary and secondary release criteria as defined in  
5 ORS 135.230, and any other information the court finds to be trustworthy and reliable, the appro-  
6 priate community restoration services are not present and available in the community, the court  
7 may continue the commitment of the defendant.

8 (B) If the court does not make the determination described in subparagraph (A) of this para-  
9 graph, the court shall terminate the commitment and shall set a review hearing seven days from the  
10 date of the commitment termination for any defendant remaining in custody. At the review hearing,  
11 the court shall consider all relevant information, determine an appropriate action in the case as  
12 described in ORS 161.370 (2)(c) and enter an order in accordance with the defendant's constitutional  
13 rights to due process.

14 (4)(a) Notwithstanding subsection (2) of this section, if the most serious offense in the charging  
15 instrument is a misdemeanor, and the superintendent of the state mental hospital or director of the  
16 facility to which the defendant is committed determines that the defendant no longer needs a hos-  
17 pital level of care due to the acuity of symptoms of the defendant's qualifying mental disorder or  
18 there are not present public safety concerns, the superintendent or director shall file notice of the  
19 determination with the court, along with recommendations regarding the necessary community res-  
20 toration services that would mitigate any risk presented by the defendant. Upon receipt of the no-  
21 tice, the court shall order that a community mental health program director or the director's  
22 designee, within five judicial days:

23 (A) Consult with the defendant and with any local entity that would be responsible for providing  
24 community restoration services, if the defendant were to be released in the community, to determine  
25 whether appropriate community restoration services are present and available in the community;  
26 and

27 (B) Provide the court and the parties with recommendations from the consultation.

28 (b) Notwithstanding subsection (2) of this section, if the most serious offense in the charging  
29 instrument is a misdemeanor, and the community mental health program director determines that  
30 the community restoration services that would mitigate any risk posed by the defendant are present  
31 and available in the community, the community mental health program director may file notice of  
32 the determination with the court. Upon receipt of the notice, the court shall order that the super-  
33 intendent of the state mental hospital or director of the facility to which the defendant is committed,  
34 within five judicial days:

35 (A) Evaluate the defendant to determine whether a hospital level of care is no longer necessary  
36 due to present public safety concerns, or no longer necessary due to the acuity of symptoms of the  
37 defendant's qualifying mental disorder; and

38 (B) Provide the court and the parties with recommendations from the evaluation.

39 (c) Within 10 judicial days of receiving the recommendations described in paragraph (a) or (b)  
40 of this subsection, the court shall hold a hearing to determine an appropriate action in accordance  
41 with ORS 161.370 (2)(c) as follows:

42 (A) After consideration of the factors and possible actions described in ORS 161.370 (2)(c), the  
43 consultation or evaluation and any recommendations described in paragraph (a) or (b) of this sub-  
44 section, and any other information the court finds to be trustworthy and reliable, the court may  
45 continue the commitment of the defendant if the court makes written findings that a hospital level

1 of care is necessary due to public safety concerns and the acuity of symptoms of the defendant's  
2 qualifying mental disorder, and that appropriate community restoration services are not present and  
3 available in the community.

4 (B) If the court does not make the findings described in subparagraph (A) of this paragraph, the  
5 court shall terminate the commitment and shall set a review hearing seven days from the date of  
6 the commitment termination for any defendant remaining in custody. At the review hearing, the  
7 court shall consider all relevant information, determine an appropriate action in the case as de-  
8 scribed in ORS 161.370 (2)(c) and enter an order in accordance with the defendant's constitutional  
9 rights to due process.

10 (5)(a) If a defendant remains committed under this section, the court shall determine within a  
11 reasonable period of time whether there is a substantial probability that, in the foreseeable future,  
12 the defendant will gain or regain fitness to proceed. However, regardless of the number of charges  
13 with which the defendant is accused, in no event shall the defendant be committed for longer than  
14 whichever of the following, measured from the defendant's initial custody date, is shorter:

15 (A) Three years; or

16 (B) A period of time equal to the maximum sentence the court could have imposed if the de-  
17 fendant had been convicted.

18 (b) For purposes of calculating the maximum period of commitment described in paragraph (a)  
19 of this subsection:

20 (A) The initial custody date is the date on which the defendant is first committed under this  
21 section on any charge alleged in the accusatory instrument; and

22 (B) The defendant shall be given credit against each charge alleged in the accusatory instru-  
23 ment:

24 (i) For each day the defendant is committed under this section, whether the days are consecutive  
25 or are interrupted by a period of time during which the defendant has gained or regained fitness to  
26 proceed; and

27 (ii) Unless the defendant is charged on any charging instrument with aggravated murder or a  
28 crime listed in ORS 137.700 (2), for each day the defendant is held in jail before and after the date  
29 the defendant is first committed, whether the days are consecutive or are interrupted by a period  
30 of time during which the defendant lacks fitness to proceed.

31 (c) The superintendent of the state mental hospital or director of the facility to which the de-  
32 fendant is committed shall notify the committing court of the defendant's impending discharge 30  
33 days before the date on which the superintendent or director is required to discharge the defendant  
34 under this subsection.

35 (6)(a) All notices required under this section shall be filed with the court and may be filed  
36 electronically. The clerk of the court shall cause copies of the notices to be delivered to both the  
37 district attorney and the counsel for the defendant.

38 (b) When the committing court receives a notice from the superintendent or director under  
39 subsection (1) of this section concerning the defendant's progress or lack thereof, or under sub-  
40 section (5) of this section concerning the defendant's impending discharge, the committing court  
41 shall determine, after a hearing if a hearing is requested, whether the defendant presently has fit-  
42 ness to proceed.

43 (7) If at any time the court determines that the defendant lacks fitness to proceed, the court  
44 shall further determine whether the defendant is entitled to discharge under subsection (5) of this  
45 section. If the court determines that the defendant is entitled to discharge under subsection (5) of

1 this section, the court shall dismiss, without prejudice and in accordance with ORS 161.367 (6), all  
2 charges against the defendant and:

3 (a) Order that the defendant be discharged; or

4 (b) Initiate commitment proceedings under ORS 426.070[,] **or** 426.701 [*or 427.235 to 427.292*].

11 or

12 (c) The person is barred from possessing, receiving, shipping or transporting a firearm under 18

27 Board members from the adult panel, the juvenile panel or a combination of both panels of the board  
28 may conduct the hearings described in this section.

29 (4) The state and any person or entity described in subsection (2) of this section may appear and  
30 object to and present evidence relevant to the relief sought by the petitioner.

31 (5) The board shall grant the relief requested in the petition if the petitioner demonstrates,  
32 based on the petitioner's reputation, the petitioner's record, the circumstances surrounding the  
33 firearm disability and any other evidence in the record, that the petitioner will not be likely to act  
34 in a manner that is dangerous to public safety and that granting the relief would not be contrary  
35 to the public interest.

36 (6) If the board grants the relief requested in the petition, the board shall provide to the De-  
37 partment of State Police the minimum information necessary, as defined in ORS 181A.290, to enable

ARTICLE I  
PURPOSE AND POLICY

The party states, desiring by common action to fully utilize and improve their institutional facilities and provide adequate programs for the confinement, treatment and rehabilitation of various types of offenders, declare that it is the policy of each of the party states to provide such facilities and programs on a basis of cooperation with one another, thereby serving the best interests of such offenders and of society and effecting economies in capital expenditures and operational costs. The purpose of this compact is to provide for the mutual development and execution of such programs of cooperation for the confinement, treatment and rehabilitation of offenders with the most economical use of human and material resources.

(2) "Sending state" means a state party to this compact in which conviction or court commitment was had.

(3) "Receiving state" means a state party to this compact to which an inmate is sent for confinement other than a state in which conviction or court commitment was had.

(4) "Inmate" means a male or female offender who is committed, under sentence to or confined in a penal or correctional institution.

(5) "Institution" means any penal or correctional facility, including but not limited to a facility for persons with mental illness [*or intellectual disabilities*], in which inmates as defined in subsection (4) of this Article may lawfully be confined.

ARTICLE III  
CONTRACTS

(1) Each party state may make one or more contracts with any one or more of the other party states for the confinement of inmates on behalf of a sending state in institutions situated within receiving states. Any such contract shall provide for:

(a) Its duration.

(b) Payments to be made to the receiving state by the sending state for inmate maintenance, extraordinary medical and dental expenses, and any participation in or receipt by inmates of rehabilitative or correctional services, facilities, programs or treatment not reasonably included as part of normal maintenance.

(c) Participation in programs of inmate employment, if any, the disposition or crediting of any payments received by inmates on account thereof, and the crediting of proceeds from or disposal of any products resulting therefrom.

(d) Delivery and retaking of inmates.

(e) Such other matters as may be necessary and appropriate to fix the obligations, responsibilities and rights of the sending and receiving states.

(2) The terms and provisions of this compact shall be a part of any contract entered into by the authority of or pursuant thereto, and nothing in any such contract shall be inconsistent therewith.

ARTICLE IV  
PROCEDURES AND RIGHTS

(1) Whenever the duly constituted authorities in a state party to this compact, and which has

1 entered into a contract pursuant to Article III, shall decide that confinement in, or transfer of an  
2 inmate to, an institution within the territory of another party state is necessary or desirable in or-  
3 der to provide adequate quarters and care or an appropriate program of rehabilitation or treatment,  
4 said officials may direct that the confinement be within an institution within the territory of said  
5 other party state, the receiving state to act in that regard solely as agent for the sending state.

6 (2) The appropriate officials of any state party to this compact shall have access, at all reason-  
7 able times, to any institution in which it has a contractual right to confine inmates for the purpose  
8 of inspecting the facilities thereof and visiting such of its inmates as may be confined in the insti-  
9 tution.

10 (3) Inmates confined in an institution pursuant to the terms of this compact shall at all times  
11 be subject to the jurisdiction of the sending state and may at any time be removed therefrom for  
12 transfer to a prison or other institution within the sending state, for transfer to another institution  
13 in which the sending state may have a contractual or other right to confine inmates, for release on  
14 probation or parole, for discharge, or for any other purpose permitted by the laws of the sending  
15 state; provided, that the sending state shall continue to be obligated to such payments as may be  
16 required pursuant to the terms of any contract entered into under the terms of Article III.

17 (4) Each receiving state shall provide regular reports to each sending state on the inmates of  
18 that sending state in institutions pursuant to this compact including a conduct record of each inmate  
19 and certify said record to the official designated by the sending state, in order that each inmate  
20 may have official review of his or her record in determining and altering the disposition of said in-  
21 mate in accordance with the law which may obtain in the sending state and in order that the same  
22 may be a source of information for the sending state.

23 (5) All inmates who may be confined in an institution pursuant to the provisions of this compact  
24 shall be treated in a reasonable and humane manner and shall be treated equally with such similar  
25 inmates of the receiving state as may be confined in the same institution. The fact of confinement  
26 in a receiving state shall not deprive any inmate so confined of any legal rights which said inmate  
27 would have had if confined in an appropriate institution of the sending state.

28 (6) Any hearing or hearings to which an inmate confined pursuant to this compact may be en-  
29 titled by the laws of the sending state may be had before the appropriate authorities of the sending  
30 state, or of the receiving state if authorized by the sending state. The receiving state shall provide  
31 adequate facilities for such hearings as may be conducted by the appropriate officials of a sending  
32 state. In the event such hearing or hearings are had before officials of the receiving state, the gov-  
33 erning law shall be that of the sending state and a record of the hearing or hearings as prescribed  
34 by the sending state shall be made. Said record together with any recommendations of the hearing  
35 officials shall be transmitted forthwith to the official or officials before whom the hearing would  
36 have been had if it had taken place in the sending state. In any and all proceedings had pursuant  
37 to the provisions of this subsection, the officials of the receiving state shall act solely as agents of  
38 the sending state and no final determination shall be made in any matter except by the appropriate  
39 officials of the sending state.

40 (7) Any inmate confined pursuant to this compact shall be released within the territory of the  
41 sending state unless the inmate, and the sending and receiving states, shall agree upon release in  
42 some other place. The sending state shall bear the cost of such return to its territory.

43 (8) Any inmate confined pursuant to the terms of this compact shall have any and all rights to  
44 participate in and derive any benefits or incur or be relieved of any obligations or have such obli-  
45 gations modified or the status of the inmate changed on account of any action or proceeding in

1 which the inmate could have participated if confined in any appropriate institution of the sending  
2 state located within such state.

3 (9) The parent, guardian, trustee, or other person or persons entitled under the laws of the  
4 sending state to act for, advise, or otherwise function with respect to any inmate shall not be de-  
5 prived of or restricted in the exercise of any power in respect of any inmate confined pursuant to  
6 the terms of this compact.

9 (1) Any decision of the sending state in respect of any matter over which it retains jurisdiction  
10 pursuant to this compact shall be conclusive upon and not reviewable within the receiving state,  
11 but if at the time the sending state seeks to remove an inmate from an institution in the receiving  
12 state there is pending against the inmate within such state any criminal charge or if the inmate is  
13 formally accused of having committed within such state a criminal offense, the inmate shall not be  
14 returned without the consent of the receiving state until discharged from prosecution or other form  
15 of proceeding, imprisonment or detention for such offense. The duly accredited officers of the send-  
16 ing state shall be permitted to transport inmates pursuant to this compact through any and all states  
17 party to this compact without interference.

18 (2) An inmate who escapes from an institution in which the inmate is confined pursuant to this  
19 compact shall be deemed a fugitive from the sending state and from the state in which the institu-  
20 tion is situated. In the case of an escape to a jurisdiction other than the sending or receiving state,  
21 the responsibility for institution of extradition or rendition proceedings shall be that of the sending  
22 state, but nothing contained in this compact shall be construed to prevent or affect the activities  
23 of officers and agencies of any jurisdiction directed toward the apprehension and return of an  
24 escapee.

25 ARTICLE VI

26 FEDERAL AID

27 Any state party to this compact may accept federal aid for use in connection with any institu-  
28 tion or program, the use of which is or may be affected by this compact or any contract pursuant  
29 hereto and any inmate in a receiving state pursuant to this compact may participate in any such  
30 federally aided program or activity for which the sending and receiving states have made contrac-  
31 tual provision; provided, that if such program or activity is not part of the customary correctional  
32 regimen the express consent of the appropriate official of the sending state shall be required there-  
33 for.

34 ARTICLE VII

35 ENTRY INTO FORCE

36 This compact shall enter into force and become effective and binding upon the states so acting  
37 when it has been enacted into law by any two states. Thereafter, this compact shall enter into force  
38 and become effective and binding as to any other of said states upon similar action by such state.

39 ARTICLE VIII

40 WITHDRAWAL AND TERMINATION

41 This compact shall continue in force and remain binding upon a party state until it shall have  
42 enacted a statute repealing the same and providing for the sending of formal written notice of  
43 withdrawal from the compact to the appropriate officials of all other party states. An actual with-

33 PROCEDURES AND RIGHTS

34 (a) Whenever the duly constituted judicial or administrative authorities in a state party to this  
35 compact, and which has entered into a contract pursuant to Article III, shall decide that confine-  
36 ment in, or transfer of an inmate to, an institution within the territory of another party state is  
37 necessary in order to provide adequate quarters and care or desirable in order to provide an ap-  
38 propriate program of rehabilitation or treatment, said officials may direct that the confinement be  
39 within an institution within the territory of said other party state, the receiving state to act in that  
40 regard solely as agent for the sending state.

41 (b) The appropriate officials of any state party to this compact shall have access, at all reason-

6 required pursuant to the terms of any contract entered into under the terms of Article III.

7 (d) Each receiving state shall provide regular reports to each sending state on the inmates of  
8 that sending state in institutions pursuant to this compact including a conduct record of each inmate  
9 and certify said record to the official designated by the sending state, in order that each inmate  
10 may have the benefit of his or her record in determining and altering the disposition of said inmate  
11 in accordance with the law which may obtain in the sending state and in order that the same may  
12 be a source of information for the sending state.

13 (e) All inmates who may be confined in an institution pursuant to the provisions of this compact  
14 shall be treated in a reasonable and humane manner and shall be cared for and treated equally with  
15 such similar inmates of the receiving state as may be confined in the same institution. The fact of  
16 confinement in a receiving state shall not deprive any inmate so confined of any legal rights which  
17 said inmate would have had if confined in an appropriate institution of the sending state.

18 (f) Any hearing or hearings to which an inmate confined pursuant to this compact may be enti-  
19 tled by the laws of the sending state may be had before the appropriate authorities of the sending

27 to the provisions of this subdivision, the officials of the receiving state shall act solely as agents  
28 of the sending state and no final determination shall be made in any matter except by the appro-

30 borne by the sending state.

31 (g) Any inmate confined pursuant to this compact shall be released within the territory of the  
32 sending state unless the inmate, and the sending and receiving states, shall agree upon release in  
33 some other place. The sending state shall bear the cost of such return to its territory.

34 (h) Any inmate confined pursuant to the terms of this compact shall have any and all rights to  
35 participate in and derive any benefits or incur or be relieved of any obligations or have such obli-  
36 gations modified or the status of the inmate changed on account of any action or proceeding in  
37 which the inmate could have participated if confined in any appropriate institution of the sending  
38 state located within such state.

39 (i) The parent, guardian, trustee, or other person or persons entitled under the laws of the  
40 sending state to act for, advise, or otherwise function with respect to any inmate shall not be de-

42 the terms of this compact.
