8 **SECTION 3.** (1) An adult in custody who is eligible to apply for early medical release from
9 custody under section 1 of this 2024 Act may submit an application for early release to the

14 the application is complete.

15 (b) If an application is complete, the panel shall notify the applicant that the application
16 has been accepted and shall forward the application to the full committee for consideration.
17 The notice to the applicant must include the date on which the application was determined
18 to be complete.

19 (c) If an application is incomplete, the panel shall promptly notify the applicant con-
20 cerning what additional information is needed to review the application, including necessary
21 medical records, and allow the applicant an opportunity to provide the additional informa-
22 tion.

23 (d) If the panel determines that an applicant or a referred adult in custody is not eligible
24 for early medical release under section 1 of this 2024 Act, the panel shall notify the applicant
25 or referred adult in custody and cease any further review of the application or direct refer-

27 (e) Upon acceptance of an application to be considered by the committee, or upon receipt
28 of a direct referral from the Department of Corrections, the committee shall assign a release
29 navigator to assist the applicant or referred adult in custody with reentry planning and en-
30 suring continuity of care in the community. The release navigator shall assist the applicant
31 or referred adult in custody with planning for obtaining housing and medical care in the
32 community.

33 (3)(a) Except as provided in paragraphs (b) and (c) of this subsection, the committee shall
34 make a recommendation decision on a regular application or direct referral within 45 calen-
35 dar days, and a recommendation decision on an expedited application or a direct referral
36 concerning an adult in custody with a terminal illness with a prognosis of 12 months or less
37 to live within 14 calendar days.

38 (b) The committee may, for good cause, make a decision on an application or direct re-
39 ferral up to 14 days after the time requirements described in paragraph (a) of this sub-
40 section.

41 (c) Upon the request of an applicant or referred adult in custody, the time requirements
42 described in paragraph (a) of this subsection are tolled until the applicant or referred adult
43 in custody subsequently requests that the panel proceed with considering the application or
44 direct referral.

45 (4)(a) The committee shall review each application or direct referral to determine

1 whether the applicant or referred adult in custody meets one or more of the criteria de-
2 scribed in subsection (6) of this section. The committee will evaluate the application or direct
3 referral and the criteria by assessing considerations including, but not limited to, the balance
4 between time the applicant or referred adult in custody has left to serve, the quality of life
5 living with the medical condition and whether continued care in a custodial setting is no
6 longer appropriate. If the committee determines, by a vote of the majority of the committee,
7 that the applicant or referred adult in custody meets one or more of the criteria described
8 in subsection (6) of this section, the committee shall recommend early release from custody
9 of the applicant or referred adult in custody based on medical need and compassion.

10 (b) A committee member may consult with an outside expert or specialist concerning an
11 application or direct referral under consideration before the panel. Upon request by the
12 committee, the State Board of Parole and Post-Prison Supervision shall authorize funds for
13 consultation with an expert or specialist that is necessary for the committee to carry out
14 the duties described in this section, contingent upon appropriation by the Legislative As-

16 (c) The committee shall make a written recommendation decision, including written
17 findings, when recommending or declining to recommend release.

18 (d) Each month, the committee shall review no more than five applications to decide
19 whether to recommend early medical release. Direct referrals from the Department of
20 Corrections do not count toward the five-application limit. The committee shall give priority
21 to applications based on the applicant's having a terminal illness with a prognosis of 12
22 months or less to live, but shall otherwise consider applications in the order in which the
23 panel accepted the applications as complete under subsection (2) of this section.

24 (e) The limit on applications considered by the committee described in paragraph (d) of
25 this subsection may be exceeded during any month that a state of emergency has been de-
26 clared under ORS 401.165 or is ongoing, or a public health emergency has been declared un-
27 der ORS 433.441 or is ongoing, and the committee determines that the emergency presents
28 a serious risk to the health or safety of adults in custody at the specific correctional facility
29 in which the applicant is housed, but the committee shall continue to prioritize the consid-
30 eration of applications based on the applicant's having a terminal illness with a prognosis of
31 12 months or less to live.

32 (5) If the committee recommends release under subsection (4) of this section:

33 (a) Pursuant to ORS 151.216 and 151.219, the Oregon Public Defense Commission shall
34 provide for the representation of financially eligible applicants and referred adults in custody
35 at all subsequent proceedings, including hearings before the board under section 4 of this
36 2024 Act and before the court on motions for resentencing under section 5 of this 2024 Act.
37 If the commission determines that the applicant or referred adult in custody is not finan-
38 cially eligible for appointed counsel at state expense, the applicant or referred adult in cus-
39 tody may request review of the determination as provided in ORS 144.337.

40 (b) The release navigator assigned by the committee may coordinate with the department
41 or any other outside agency or organization in order to continue to assist the applicant or
42 referred adult in custody with reentry planning and ensuring continuity of care in the com-
43 munity.

44 (c) The committee shall submit the application or direct referral and recommendation to
45 the board for review as provided under section 4 of this 2024 Act.

1 **(6) An applicant or referred adult in custody may be recommended for early medical re-**
 2 **lease if the applicant or referred adult in custody meets one or more of the following criteria,**
 3 **as further defined in the rules of the committee:**

4 **(a) The applicant or referred adult in custody has a terminal illness with a prognosis of**
 5 **12 months or less to live;**

6 **(b) The applicant or referred adult in custody is unable to independently complete the**

 8 **to independently move from place to place, even with the use of a mobility device; or**

9 **(c) The applicant or referred adult in custody has a debilitating or progressively debili-**
 10 **tating medical condition that:**

11 **(A) Poses an immediate risk to the health or life of the applicant or referred adult in**
 12 **custody; or**

13 **(B) Requires complex medical intervention or intensive or high needs care.**

14 **(7) If the committee declines to recommend an applicant for early medical release, the**
 15 **applicant may reapply for release provided that the applicant can show that:**

16 **(a) There has been a substantial change in the medical condition or other circumstances,**
 17 **as defined in rules adopted by the committee, since the previous application; or**

18 **(b) New information has been obtained regarding the medical condition or other circum-**
 19 **stance since the previous application.**

20 **(8) An early medical release recommendation decision, or a determination under sub-**
 21 **section (2) of this section that an applicant or referred adult in custody is not eligible for**
 22 **early medical release, is not subject to judicial review under ORS 144.335 or 183.480 to 183.497.**

23 **SECTION 4. (1) Except as otherwise provided in this section, the State Board of Parole**
 24 **and Post-Prison Supervision shall review recommendations for early medical release of ap-**
 25 **plicants and referred adults in custody from the Medical Release Advisory Committee under**
 26 **section 3 of this 2024 Act to determine whether to accept the recommendation for early**
 27 **medical release as provided in this section.**

28 **(2)(a) The board shall hold a hearing within 45 days of receiving the recommendation,**
 29 **unless the board finds good cause to postpone the hearing, the board proceeds under para-**
 30 **graph (c) of this subsection or no hearing is required, as described in subsection (3) of this**
 31 **section.**

32 **(b) The board may require a psychological evaluation or risk assessment of an applicant**
 33 **or referred adult in custody before proceeding on a recommendation from the advisory**
 34 **committee.**

35 **(c) The board may accept a committee recommendation without a hearing, and shall**
 36 **provide the decision in writing and promptly notify the applicant or referred adult in custody.**

37 **(d) The board shall accept the committee recommendation, advance the release date and**
 38 **order the release of the applicant or referred adult in custody unless the board finds, by clear**
 39 **and convincing evidence, that the applicant or referred adult in custody poses a danger to**
 40 **the safety of another person or the public and the danger outweighs any compassionate**
 41 **reasons for the release.**

42 **(3) If the board determines that an applicant or referred adult in custody is serving one**
 43 **or more sentences that require the sentencing court to authorize early medical release, the**
 44 **board shall first conduct the hearing described in subsection (2) of this section for any sen-**
 45 **tences that the board determines do not require the sentencing court to authorize early**

1 medical release. After completing the board hearing, or if no board hearing is required, the
2 board shall notify the applicant or referred adult in custody concerning the need to appear
3 before the sentencing court, and shall provide the applicant or referred adult in custody with:

4 (a) A certified copy of any committee recommendation provided to the board under sec-
5 tion 3 of this 2024 Act;

6 (b) A certified copy of any board decision accepting or declining to accept an early med-
7 ical release recommendation under subsection (2) of this section; and

9 sentencing court to authorize early medical release.

10 (4) If a victim has requested notification of the release of the applicant or referred adult
11 in custody, the board shall notify the victim immediately upon receiving a recommendation
12 under this section. If the victim so requests, the victim shall have the opportunity to be
13 heard during the hearing either by submitting a written statement or by addressing the
14 board. Nothing in this section is to be construed as limiting any rights a victim has under
15 the Oregon Constitution or any other law.

16 (5) A decision by the board to accept or not accept a recommendation under this section
17 is not subject to judicial review under ORS 144.335 or 183.480 to 183.497.

20 Post-Prison Supervision under section 4 (3) of this 2024 Act that the board has determined
21 that the applicant or referred adult in custody is serving one or more sentences that require
22 the sentencing court to authorize early medical release, the applicant or referred adult in

42 be heard during the hearing. If the victim so requests, the victim shall have the opportunity
43 to be heard during the hearing either by submitting a written statement or by addressing the
44 court. Nothing in this section is to be construed as limiting any rights a victim has under
45 the Oregon Constitution or any other law.

1 (3)(a) The court shall grant the motion and authorize early medical release from custody
2 unless the court finds, by clear and convincing evidence, that the applicant or referred adult

5 (b) If the court grants the motion, the court shall enter a supplemental judgment au-
6 thorizing early medical release from custody for the sentences previously imposed by the
7 court.

8 (4) An applicant or referred adult in custody whose motion for resentencing is denied

13 **Sec. 3.** (1) An adult in custody who is eligible to apply for early medical release from custody
14 under section 1 of this 2024 Act may submit an application for early release to the Medical Release
15 Advisory Committee established under section 2 of this 2024 Act. The committee shall also receive
16 direct referrals of adults in custody from the Department of Corrections under section 6 of this 2024
17 Act.

18 (2)(a) After receipt of an application, a panel of the committee shall determine whether the ap-
19 plication is complete.

20 (b) If an application is complete, the panel shall notify the applicant that the application has
21 been accepted and shall forward the application to the full committee for consideration. The notice
22 to the applicant must include the date on which the application was determined to be complete.

23 (c) If an application is incomplete, the panel shall promptly notify the applicant concerning what
24 additional information is needed to review the application, including necessary medical records, and
25 allow the applicant an opportunity to provide the additional information.

26 (d) If the panel determines that an applicant or a referred adult in custody is not eligible for
27 early medical release under section 1 of this 2024 Act, the panel shall notify the applicant or re-
28 ferred adult in custody and cease any further review of the application or direct referral.

29 (e) Upon acceptance of an application to be considered by the committee, or upon receipt of a
30 direct referral from the Department of Corrections, the committee shall assign a release navigator
31 to assist the applicant or referred adult in custody with reentry planning and ensuring continuity
32 of care in the community. The release navigator shall assist the applicant or referred adult in cus-
33 tody with planning for obtaining housing and medical care in the community.

34 (3)(a) Except as provided in paragraphs (b) and (c) of this subsection, the committee shall make
35 a recommendation decision on a regular application or direct referral within 45 calendar days, and
36 a recommendation decision on an expedited application or a direct referral concerning an adult in
37 custody with a terminal illness with a prognosis of 12 months or less to live within 14 calendar days.

39 to 14 days after the time requirements described in paragraph (a) of this subsection.

40 (c) Upon the request of an applicant or referred adult in custody, the time requirements de-
41 scribed in paragraph (a) of this subsection are tolled until the applicant or referred adult in custody
42 subsequently requests that the panel proceed with considering the application or direct referral.

43 (4)(a) The committee shall review each application or direct referral to determine whether the
44 applicant or referred adult in custody meets one or more of the criteria described in subsection (6)
45 of this section. The committee will evaluate the application or direct referral and the criteria by

1 assessing considerations including, but not limited to, the balance between time the applicant or
 2 referred adult in custody has left to serve, the quality of life living with the medical condition and
 3 whether continued care in a custodial setting is no longer appropriate. If the committee determines,
 4 by a vote of the majority of the committee, that the applicant or referred adult in custody meets one
 5 or more of the criteria described in subsection (6) of this section, the committee shall recommend
 6 early release from custody of the applicant or referred adult in custody based on medical need and

 13 consultations.

14 (c) The committee shall make a written recommendation decision, including written findings,
 15 when recommending or declining to recommend release.

16 *[(d) Each month, the committee shall review no more than five applications to decide whether to*
 17 *recommend early medical release. Direct referrals from the Department of Corrections do not count*
 18 *toward the five-application limit. The committee shall give priority to applications based on the*
 19 *applicant's having a terminal illness with a prognosis of 12 months or less to live, but shall otherwise*
 20 *consider applications in the order in which the panel accepted the applications as complete under sub-*
 21 *section (2) of this section.]*

22 *[(e) The limit on applications considered by the committee described in paragraph (d) of this sub-*
 23 *section may be exceeded during any month that a state of emergency has been declared under ORS*
 24 *401.165 or is ongoing, or a public health emergency has been declared under ORS 433.441 or is ongo-*
 25 *ing, and the committee determines that the emergency presents a serious risk to the health or safety of*
 26 *adults in custody at the specific correctional facility in which the applicant is housed, but the committee*
 27 *shall continue to prioritize the consideration of applications based on the applicant's having a terminal*
 28 *illness with a prognosis of 12 months or less to live.]*

29 (5)(a) If the committee recommends release under subsection (4) of this section:

30 [(a)] (A) Pursuant to ORS 151.216 and 151.219, the Oregon Public Defense Commission shall
 31 provide for the representation of financially eligible applicants and referred adults in custody at all
 32 subsequent proceedings, including hearings before the board under section 4 of this 2024 Act and
 33 before the court on motions for resentencing under section 5 of this 2024 Act. If the commission
 34 determines that the applicant or referred adult in custody is not financially eligible for appointed
 35 counsel at state expense, the applicant or referred adult in custody may request review of the de-
 36 termination as provided in ORS 144.337.

37 [(b)] (B) The release navigator assigned by the committee may coordinate with the department
 38 or any other outside agency or organization in order to continue to assist the applicant or referred
 39 adult in custody with reentry planning and ensuring continuity of care in the community.

40 [(c)] (C) The committee shall submit the application or direct referral and recommendation to
 41 the board for review as provided under section 4 of this 2024 Act.

42 (b) **Notwithstanding paragraph (a) of this subsection, if the committee recommends re-**
 43 **lease but the applicant or referred adult in custody is a person described in section 1 (2)(a),**
 44 **(b) or (c) of this 2024 Act, the committee shall provide the applicant or referred adult in**
 45 **custody with a certified copy of the release recommendation but may not submit the appli-**

1 **cation or direct referral and recommendation to the board for review.**

 3 the applicant or referred adult in custody meets one or more of the following criteria, as further

12 (A) Poses an immediate risk to the health or life of the applicant or referred adult in custody;
 13 or

14 (B) Requires complex medical intervention or intensive or high needs care.

15 (7) If the committee declines to recommend an applicant for early medical release, the applicant
 16 may reapply for release provided that the applicant can show that:

17 (a) There has been a substantial change in the medical condition or other circumstances, as
 18 defined in rules adopted by the committee, since the previous application; or

19 (b) New information has been obtained regarding the medical condition or other circumstance
 20 since the previous application.

21 (8) An early medical release recommendation decision, or a determination under subsection (2)
 22 of this section that an applicant or referred adult in custody is not eligible for early medical release,
 23 is not subject to judicial review under ORS 144.335 or 183.480 to 183.497.
