12 “(d) Adopt a strategic plan for achieving state post-secondary education

24 “(c) As used in this subsection:

25 “(A)(i) ‘School’ means an independent institution of higher education that
26 meets the requirements of ORS 348.597 (2)(a).

18 “(2) Under the program, the cost of education of a qualified student shall
19 be shared by the student, the family of the student, the federal government
20 and the state.

21 “(3) The [*Director of the Office of Student Access and Completion*] **com-**
22 **mission** shall determine the cost of education of a qualified student based
23 on the type of eligible post-secondary institution the student is attending.
24 The cost of education equals:

25 “(a) For a student attending a community college, the average cost of
26 education of attending a community college in this state;

27 “(b) For a student attending a public university listed in ORS 352.002, the
28 average cost of education of attending a public university;

29 “(c) For a student attending a two-year Oregon-based, generally accred-
30 ited, not-for-profit institution of higher education, the average cost of edu-

1 cation of attending a community college in this state; and

2 “(d) For a student attending the Oregon Health and Science University
3 or a four-year Oregon-based, generally accredited, not-for-profit institution
4 of higher education, the average cost of education of attending a public
5 university listed in ORS 352.002.

6 “(4)(a) The [*director*] **commission** shall determine the amount of the
7 student share. The student share shall be based on:

8 “(A) The type of eligible post-secondary institution the student is attend-

10 “(B) The number of hours of work that the [*director*] **commission** deter-
11 mines may be reasonably expected from the student; and

12 “(C) The amount of loans that the [*director*] **commission** determines
13 would constitute a manageable debt burden for the student.

14 “(b) The student shall determine how to cover the student share through
15 income from work, loans, savings and scholarships.

16 “(c) The student share for a student who attends a community college
17 may not exceed the amount that the [*director*] **commission** determines a
18 student may earn based on the number of hours of work reasonably expected
19 from the student under paragraph (a) of this subsection.

20 “(d) The student share for a student who attends an eligible post-
21 secondary institution that is not a community college may not exceed the
22 sum of the amount that the [*director*] **commission** determines a student may

24 of hours of work reasonably expected from the student under paragraph (a)
25 of this subsection.

26 “(5) The [*director*] **commission** shall determine the amount of the family
27 share. The family share shall be based on the resources of the family.

5 “(b) The [*director*] **commission** shall establish a minimum amount that
6 a student may receive as a state share. If the [*director*] **commission** deter-
7 mines that the amount of the state share of a student is below the minimum
8 amount, the student may not receive the state share.

9 “(c) The [*director*] **commission** may not reduce the amount of the state
10 share of a student based on amounts available to the student by virtue of
11 being the designated beneficiary of a college savings network account es-

13 “(8) Subject to subsection (9) of this section, if the [*director*] **commission**
14 determines that there are insufficient moneys to award the state share to all
15 qualified students, the [*director*] **commission**:

16 “(a) May establish the maximum amount that a student may receive as
17 a state share. This amount may vary based on whether the student is at-
18 tending an eligible post-secondary institution on a half-time or full-time ba-
19 sis.

20 “(b) May establish procedures that prioritize awarding Oregon Opportu-
21 nity Grants to qualified students with the greatest financial need or whose
22 circumstances would enhance the promotion of equity guidelines published
23 by the [*Higher Education Coordinating*] commission.

24 “(c) May not reduce the amount of the state share awarded to students
25 in the low income range in a greater proportion than the amount that the
26 state share for students in other income ranges is reduced.

27 “[*(9)(a) The Higher Education Coordinating commission shall adopt rules*
28 *that prioritize current foster children and former foster children for receiving*
29 *Oregon Opportunity Grants when the Oregon Opportunity Grant program does*
30 *not have sufficient funding to serve all eligible Oregon students.*]

1 “[b] For the purposes of this subsection, ‘former foster child’ has the
2 meaning given that term in ORS 350.300.]

3 “(9) **The commission shall adopt rules that implement the Oregon**
4 **Opportunity Grant program. The rules adopted by the commission**
5 **shall:**

6 “(a) **Specify the manner by which the commission determines the**
7 **state share.**

8 “(b) **Prioritize current foster children and former foster children for**
9 **receiving Oregon Opportunity Grants when the Oregon Opportunity**
10 **Grant program does not have sufficient funding to serve all eligible**

19 **commission** for a grant.

20 “(3) The [*director*] **commission** shall screen or cause to be screened the

28 “(4) The [*director*] **commission** shall not discriminate for or against any
29 applicant for a grant.

2 ient or to attempt to control or influence the policies of the institution.

3 “(6) Whenever funds are not available to award grants to all qualified
4 students, the [*director*] **commission** may give priority to applicants who are
5 or plan to be full-time students at the eligible post-secondary institution
6 where the grant is to be used. A student shall be considered to be a full-time
7 student if the combination of credit hours at more than one eligible post-
8 secondary institution equals full-time attendance, according to the institu-
9 tion disbursing the grant funds.

10 “(7) As used in this section, ‘discriminate’ has the meaning given ‘dis-
11 crimination’ in ORS 659.850.

12 **“SECTION 17.** ORS 348.260 is amended to read:

13 “348.260. (1) In addition to any other form of student financial aid au-

17 student’s cost of education as determined by the [*Director of the Office of*
18 *Student Access and Completion*] **commission** and comply with applicable
19 rules and procedures described in ORS 348.205.

20 “(3) Grant funds necessary to meet matching requirements for federal
21 funds may also be used to award grants to qualified students in any eligible
22 post-secondary institution approved by the commission.

23 “(4) Grants may be awarded under this section to qualified students en-

4 “(c) If a qualified student who receives a grant under this section makes
5 a timely application for renewal of the grant, meets the academic standards
6 and benchmarks established by the commission under this subsection and
7 continues to meet all other grant eligibility criteria, the grant shall be re-
8 newed for a second year of attendance at an eligible post-secondary institu-
9 tion.

6 **“EDUCATION FOR OCCUPATIONAL OR PROFESSIONAL LICENSE**

7

8 **“SECTION 44.** ORS 670.280 is amended to read:

9 “670.280. (1) As used in this section:

10 “(a) ‘License’ includes a registration, certification or permit.

11 “(b) ‘Licensee’ includes a registrant or a holder of a certification or per-
12 mit.

13 **“(c) ‘Qualifying juvenile adjudication’ means a finding that a person**
14 **is within the jurisdiction of a juvenile court under ORS 419C.005 for**
15 **committing an act that:**

16 **“(A) If committed by an adult, would constitute a crime under ORS**
17 **163.107 or 163.115; or**

18 **“(B) The person committed between the ages of 16 and 18 that would**
19 **constitute a crime under ORS 163.185, 163.375, 163.405 or 163.427.**

20 “(2) Except as provided in ORS 342.143 (3) or 342.175 (3), a licensing
21 board, commission or agency may not deny, suspend or revoke an occupa-
22 tional or professional license solely for the reason that the applicant or
23 licensee has been convicted of a crime, but it may consider the relationship
24 of the facts which support the conviction and all intervening circumstances
25 to the specific occupational or professional standards in determining the
26 fitness of the person to receive or hold the license. There is a rebuttable
27 presumption as to each individual applicant or licensee that an existing or
28 prior conviction for conduct that has been classified or reclassified as a
29 Class E violation does not make an applicant for an occupational or profes-
30 sional license or a licensee with an occupational or professional license unfit

1 to receive or hold the license.

2 “(3) Except as provided in ORS 342.143 (3) and 342.175 (3), a licensing
3 board, commission or agency may deny an occupational or professional li-
4 cense or impose discipline on a licensee based on conduct that is not
5 undertaken directly in the course of the licensed activity, but that is sub-
6 stantially related to the fitness and ability of the applicant or licensee to
7 engage in the activity for which the license is required. In determining
8 whether the conduct is substantially related to the fitness and ability of the
9 applicant or licensee to engage in the activity for which the license is re-
10 quired, the licensing board, commission or agency shall consider the re-
11 lationship of the facts with respect to the conduct and all intervening
12 circumstances to the specific occupational or professional standards. There
13 is a rebuttable presumption as to each individual applicant or licensee that
14 an existing or prior conviction for conduct that has been classified or re-
15 classified as a Class E violation is not related to the fitness and ability of
16 the applicant or licensee to engage in the activity for which the license is
17 required.

18 **“(4)(a) Prior to beginning an education, a training or an appren-
19 ticeship program for an occupational or professional license, a person
20 who was convicted of a crime or subject to a qualifying juvenile adju-
21 dication may petition a licensing board, commission or agency for a
22 determination as to whether a criminal conviction or qualifying juve-
23 nile adjudication will prevent the person from receiving an occupa-
24 tional or professional license. The licensing board, commission or
25 agency may charge a reasonable fee to pay the costs of making the
26 determination.**

27 **“(b) A determination from a licensing board, commission or agency
28 that a criminal conviction or qualifying juvenile adjudication will not
29 prevent the person from obtaining an occupational or professional li-
30 cense binds the licensing board, commission or agency unless, at the**

1 **time the person submits a complete application, the person:**

2 **“(A) Has allegations or charges pending in juvenile or criminal**
3 **court;**

4 **“(B) Has failed to disclose a previous criminal conviction or quali-**
5 **ifying juvenile adjudication; or**

6 **“(C) Has been convicted of another crime or been subjected to a**
7 **qualifying juvenile adjudication during the period between the deter-**
8 **mination and the person’s submission of a completed application for**
9 **an occupational or professional license.**

10 **“(c) A licensing board, commission or agency is not bound by, and**
11 **may reconsider, a determination that a criminal conviction or quali-**
12 **ifying juvenile adjudication will prevent the person from obtaining an**
13 **occupational or professional license if the person submits a petition**
14 **for another determination or a completed application for an occupa-**
15 **tional or professional license.**

16 **“(d) A licensing board, commission or agency may adopt rules nec-**
17 **essary to implement the provisions of this subsection.**

“RECOVERY SCHOOLS

20

21 **“SECTION 45. ORS 336.680 is amended to read:**

22 **“336.680. (1) As used in this section, ‘approved recovery school’ means a**
23 **school that is under an agreement with the Department of Education to**
24 **provide students enrolled in the school with a holistic approach to:**

25 **“(a) Educational services for grades 9 through 12; and**

26 **“(b) Health care services related to recovery from substance use disorders.**

27 **“(2) The department shall provide or cause to be provided appropriate**
28 **education for students enrolled in an approved recovery school. For the**
29 **purpose of paying the costs of providing education to students enrolled in**
30 **an approved recovery school, the Superintendent of Public Instruction shall**

1 make the following:

2 “(a) Payments from amounts available from the State School Fund under
3 ORS 327.029.

4 “(b) Payments from the Statewide Education Initiatives Account, as pro-
5 vided by rule adopted by the State Board of Education in collaboration with
6 the advisory committee convened under ORS 336.685. The rules adopted as
7 provided by this paragraph may include a minimum amount, a maximum
8 amount or both for approved recovery schools.

9 “(3) The Superintendent of Public Instruction may contract with a school
10 district, an education service district or a public charter school to provide
11 or cause to be provided appropriate education to students enrolled in an
12 approved recovery school. Unless otherwise specified, any educational ser-
13 vices provided under a contract entered into under this subsection shall be
14 paid as described in this section and not by any other state moneys distrib-
15 uted based on average daily membership that are available to the school
16 district, education service district or public charter school for the purpose
17 of providing educational services.

18 “(4) The State Board of Education shall adopt by rule the standards for
19 a recovery school to become and operate as an approved recovery school. The
20 standards must provide that:

21 “(a) The recovery school must align, to the extent identified by the board,
22 with standards for accreditation established by a nonprofit accrediting or-
23 ganization composed of representatives of recovery schools and individuals
24 who support the growth of recovery schools. The standards must include re-
25 quirements that:

26 “(A) The recovery school, in compliance with timelines established by the
27 department, be accredited by a nonprofit accrediting organization that es-
28 tablishes standards for recovery schools. Nothing in this subparagraph re-
29 quires the recovery school to be accredited at the time the superintendent
30 first enters into a contract with the recovery school.

1 “(B) Student enrollment in the recovery school is voluntary. No school
2 district or state or local agency may compel or otherwise require a student
3 to enroll in a recovery school. Students enrolled in an approved recovery
4 school may not be counted in determining the number of pupils in average
5 daily membership for purposes of ORS 334.175 (5).

6 “(C) All students who reside in this state and who meet the eligibility
7 criteria established under subsection (8) of this section may enroll in an ap-
8 proved recovery school if space is available. If space is not available, the
9 approved recovery school may prioritize for enrollment student groups iden-
10 tified in ORS 327.180 (2)(b).

11 “(D) The school district, education service district or public charter
12 school with which the department has entered into a contract for a recovery
13 school must agree to award high school diplomas, modified diplomas, ex-
14 tended diplomas and alternative certificates as provided by ORS 329.451 and
15 339.877. An entity that awards high school diplomas as provided by this
16 subparagraph:

17 “(i) May not impose requirements for a high school diploma that are in
18 addition to the requirements prescribed by ORS 329.451 (2)(a) or by rule of
19 the State Board of Education; and

20 “(ii) Must accept any credits previously earned by students in another
21 school or educational program in this state and apply those credits toward
22 the requirements prescribed by ORS 329.451 (2)(a) or by rule of the State
23 Board of Education.

24 “[*(E) Except as provided by subparagraph (F) of this paragraph, the re-*
25 *covery school must satisfy the same laws that apply to public charter schools*
26 *under ORS 338.115.*]

27 “**(E) Statutes and rules that apply only to school district boards,**
28 **school districts or other public schools do not apply to approved re-**
29 **covery schools, except that the following laws do apply to approved**
30 **recovery schools:**

- 1 “(i) Federal law;
