Measure: HB4140

On behalf of the Domestic Violence Resource Center, I support this bill to create certainty for the stability of funding for critical survivor services across the state (confidential, culturally specific, Tribal Nation, and community-based trauma informed safety services) provided by ODSVS and SHF.

ODSVS funds are the most important shelter operating funds that directly benefit survivors/victims, their children and the advocates who serve them.

SHF funds help provide homelessness prevention and housing stability and navigation services for survivors seeking safety from abuse during their time of crisis.
