

Submitter: B Ashton

On Behalf Of: Self

Committee: House Committee On Early Childhood and Human Services

Measure: HB4085

Oregon's 2024 HB 4085 would be an unfunded mandate with no information on fiscal impact to Oregon taxpayers. Additionally, to add this unfunded service to an existing institution to noncitizens violates the Oregon Constitution and the U.S. Constitution. HB 4085 is premature at best and a disservice to the Oregon citizenry.
