Measure: HB4148

I thank Representative Helm for introducing HB 4148, the Omnibus Wildlife Bill and strongly support all four parts of this bill which will help protect wildlife, our environment and people across Oregon by reducing wildlife convictions, helping stop the spread of invasive species, reducing wildlife collisions, and responding to wildlife disease outbreaks.

HB 4148 represents a wise investment in areas that are critical to protecting Oregon's wildlife - and thus critical to my wellbeing.
