

Submitter: Mark Eaton

On Behalf  
Of:

Committee: House Committee On Agriculture, Land Use, Natural Resources, and  
Water

Measure: HB4148

Thank you for introducing HB 4148. This is a great way to protect our Oregon and greater PNW species. We all need to look out for our environment if not for us but more importantly for our grandchildren. Please do all you can to pass all four provisions of HB 4148.

Thank you

Mark Eaton
