

Submitter: Donna Bleiler
On Behalf Of:
Committee: House Committee On Judiciary
Measure: HB4156

I support Measure HB 4156. I find it sad that such a bill is needed to maintain decency and moral conduct. Why is it needed? Because you have allow and legislated immoral conduct to be the norm and that is what is being taught in schools. It is shameful of the leaders of Oregon to manipulate and brainwash a destructive ideology that is destroying our state.
