HCR 202

On behalf of the National Garden Club and the Oregon State Federation of Garden Clubs, we salute Dick Tobiason. His leadership has connected the garden clubs and veterans with a strong partnership. Dick is a tireless individual in honoring the veterans. He has reached many goals, including naming the Gold Star Families Highway with Gold Star Memorials In Astoria/Warrenton and Ontario.

The Blue Star and Gold Star Memorial Markers are created by NGC and offered through the state garden clubs. Several Oregon veteran chapters have installed these markers with more to come. The Oregon Garden Clubs are honored to work with Dick and all veterans.

Sincerely, Jane Sercombe. OSFGC Blue Star Gold Star Chairman, Veterans Liaison
