Measure: HB4159

A DEFINITE NO VOTE!!! How about taking care of our Veterans for a change?

To spend any tax dollars on illegals is absurd, disrespectful and illegal!!!

When they come here legally, I will support it. If not, "YOU" house, feed and care and teach them! Don't expect the taxpayers to bail you out of the disaster that "YOU" created!

What was done to the Bronx School in New York was shameful! You remove taxpayer children to house illegals! Next time, "YOU" house them in your own homes!
