Committee: House Committee On Economic Development and Small Business

Measure: HB4124

I STRONGLY support HB 4124 and urge your support to pass this bill! The sites that would benefit will enable Oregon's cultural heritage to be preserved. The local economies also benefit since people will come as tourists to view the sites, people will be employed to restore the sites, and people will be employed as guides. It is a win/win for Oregon, for local economies, for historical preservation, and for jobs!
