

Submitter: Bill Miller

On Behalf  
Of:

Committee: House Committee On Agriculture, Land Use, Natural Resources, and  
Water

Measure: HB4148

Bipartisan? How cool is that!

The whole measure looks good, but I particularly note the animal overpasses as I traveled to Banff and Glacier National Parks this summer, and they were both replete with overpasses. The older ones were actually quite attractive as there was lush greenery growing on them which made a nice breakup of the bleakness of the highway.

Get it done!
