Measure: HB4148

Please vote yes on HB 4148.

This bill will help to prompt good wildlife stewardship. It will support wildlife rehabilitation all over Oregon.

It will be used for wildlife crossings, good for animals and people too.

And it will help prevent disasters like the spread of chronic wasting disease.

Thank you to Representative Helm for introducing this bill. And thank you to the Committee for your time and your support.

Sincerely  
Georgia Wier
