Measure: HB4148

Dear Representative Helm,

Thank You for introducing HB 4148, the Omnibus Wildlife Bill. Willamette Riverkeepers informed me about this excellent bill. I support the Riverkeepers but most of my volunteer energies go toward helping Johnson Creek Watershed Council. This bill will help this wildlife community as well.

I support for passage of all four parts of this bill which will help protect wildlife, our environment and people across Oregon by reducing wildlife conflicts, helping stop the spread of invasive species, reducing wildlife collisions, and responding to wildlife disease outbreaks.

HB 4148 represents a wise investment in areas that are critical to protecting Oregon's wildlife. It puts in place positive, proactive strategies to address these challenges.

My neighbors and I care about Oregon's wildlife and support advancing strong programs to ensure that our wildlife is protected.

Thank you for speaking out for Oregon's Wildlife!
