Measure: HB4124

Tourism supports our coastal economy in Oregon and I support spending our tax dollars to fix up historic places such as the chateau in Cave Junction that needs doors from the 1930's refinished. Please vote yes on funding measure 4124 for historic projects and the Art projects for Oregon. I grew up here in Oregon with the slogan, "Keep Oregon Beautiful!" And many people have worked to keep it that way because we love living in Oregon. I am 67 years old and have lived in Oregon since 1967. Thank you for listening to me.
