

Submitter: Whitney Myers
On Behalf Of:
Committee: House Committee On Judiciary
Measure: HB4156

As a confidential DV advocate I respectfully ask that you please support this bill to increase safety for survivors and accountability for perpetrators. Increasingly, technology is being used to stalk victims in new and harmful ways. Stalking behavior is an indicator of lethality, and inflicts significant physical, economic, psychological injury on its victims.

Support of this bill is essential in us continuing to serve the community and provide legal protections for Survivors.

Thank you for your time
