Support for HB 4148

Our advisory council includes representatives from more than twenty-five federal, state, and local agencies, trail user groups, outdoor industry and tourism partners, and volunteer organizations. We represent walkers, bikers, runners, paddlers, equestrians, adaptive equipment users, skiers, snowmobilers, and motorized trail enthusiasts.

We are writing today to share our support for the HB 4148 wildlife package.

We believe this package of program investments is critical for protecting Oregon wildlife now and for generations to come. We are eager to continue partnerships with the agencies, non-profits, and community leaders involved to ensure recreation and transportation planning take into account what both human communities and wildlife need to thrive.

Thank you for your leadership,
