

Submitter: Lyle Orem

On Behalf Of: Molalla Area Historical Society

Committee: House Committee On Economic Development and Small Business

Measure: HB4124

I am fully in support of this bill. We need to keep up our historical properties, they have taken a big hit during the covid epidemic and have not recovered since.

All of the historical societies are suffering from lack of funds. Once an historical property is gone it's gone forever, there is no getting it back.
