

Submitter: Allen Denison

On Behalf Of:

Committee: House Committee On Economic Development and Small Business

Measure: HB4124

Please help cultural institutions in their post-pandemic, post-slump recoveries. I'm sure that all of them are worthy of help, but I particularly encourage you to support Historic Preservation. Building restoration is usually a labor of love, but it also takes money to do it right. Thank you. And thank you for serving Oregon.
