Measure: HB4124

I would strongly encourage you to support House Bill 2124. I have been an avid supporter of historic preservation and Cultural Arts in Oregon since 1977, when I was appointed to the Portland Historic Landmarks Commission. I am currently a member of the Lake Oswego Historic Resources Advisory Board. I have also participated in a local choir that receives support from the Cultural Trust and my daughter participates in another choir that also receives that support. My husband acted with a theater group in Hillsboro that receives that support. On a daily basis my life and the lives of my family members and Friends are enriched by the support for arts and culture in this state. It is the richness and vitality of that arena that makes Oregon special.
