

Submitter: Tom Brett

On Behalf Of:

Committee: Senate Committee On Judiciary

Measure: SB1503

Enough already with the never ending end runs against the Constitution and law abiding citizens rights. DID YOU FOLKS MISS WHAT HAPPENED TO AN UNARMED POPULATION IN ISRAEL? Suicide, as unpleasant as it is, is not the fault of the instrument/means employed. No matter how you try to massage this position, "this dog won't hunt" Do not support this "smoke and mirrors" attempt to ultimately disarm the law abiding public.....
