Measure: HB4123

Dear House Committee,

Please support this bill that will ensure stability for the ongoing work of the SANE/SAE Coordinating Council's work, to support interdisciplinary trauma-informed and expert sexual assault response across the state.

This bill is especially important in rural areas - without this work, victims of sexual assault often must drive hundreds of miles to reach qualified care.

We'd like to see this bill be passed with a commitment to ongoing, stable funding as SANE work will continue to need support past this fiscal year.

Thank you for your time!
