

Submitter: Elizabeth Deal

On Behalf Of:

Committee: House Committee On Economic Development and Small Business

Measure: HB4124

I SUPPORT HB4124. If you love Oregon, you will agree that it is Oregon's arts, culture and heritage that makes it special. Therefore it is important to support our cultural organizations many of which are still recovering from the pandemic's impact and declining revenue. Please SUPPORT HB4124 and support investments in our cultural organizations which keep Oregon such a special place.
