

Ryan R, Eugene
State House District 8
State Senate District 4

Vehicle IDA opened in 2021

“I was going back to school to change careers. I was aiming to get out of food service. I wanted to buy a car to commute to a new job.

Now I have a car and can easily get to work, get groceries, and take my family on errands.

Having a car has been instrumental in helping me keep steady employment at my first job after graduation.”
