Measure: SB1583

Oppose!!!! This is sinful corruption. Forcing LGBTQ and critical race theory on our children needs to stop! Do your job and stop this bill! Oregon kids can't meet national averages in reading, writing, math, science and now you want to force curriculum on them that doesn't even align with what teaching should be. Confusing and dumbing down our children, breaking the bonds between them and their families is only hurting the next generation.
