

Submitter: Ashley McKee

On Behalf Of:

Committee: Senate Committee On Education

Measure: SB1583

I oppose this bill. Kids are in school to learn NECESSARY info for building their knowledge on things like math and science! Do not mess with their library and their textbooks! Leave the children alone! They are CHILDREN. Stop trying to keep racism alive and stop trying to convince kids of their sex being something other than what they were born with! They are minors!
