

Submitter: Patrick Vejar

On Behalf Of:

Committee: Senate Committee On Health Care

Measure: SB1507

We serve 18-64 year olds with physical disabilities. Sometimes we come across individuals that need a guardian in order for them to be placed. It is hard to find one and OPG program is usually full, they do the best with the resources and availability they have, but this program and Oregonians desperately need more guardians.

Thanks
