

Submitter: Gracie Campbell

On Behalf Of:

Committee: House Committee On Behavioral Health and Health Care

Measure: HB4130

I am extremely opposed to the corporate take-over of healthcare. Proven, without doubt is corporation's priority of profit over people. Please prevent the loopholes in our laws and require licensed physicians to have the majority of control of medical practices. Thank you in advance for drawing on your personal integrity and supporting HB 4130. Very sincerely, Gracie Campbell
