Measure: SB1537

Dear Senate Committee on Housing and Development:

Please accept this letter as testimony for support for the Governor's Housing Bill - SB1537. This bill offers improved entitlement processes, reduction in building permit timelines and allows for much needed land supply in cities that are in need of a limited UGB expansion while ensuring that 30% of the homes built will be affordable.

Please vote YES on SB1537.

Thank you!
