

Submitter: James Williams

On Behalf Of:

Committee: House Committee On Economic Development and Small Business

Measure: HB4124

For over 10 years, a loyal cadre of volunteers have worked tirelessly to raise revenue for the Holly Theatre. Like many historical theatres, the Holly Theatre was severely affected by the Covid-19 pandemic. We are very close to realizing this long-awaited dream of opening yet there are still many parts that will need additional funding. I strongly support HB 4124 and hope you will also.

Warm regards,

James Williams
