

Submitter: Charlie Mitchell

On Behalf Of:

Committee: House Committee On Housing and Homelessness

Measure: HB4134

On behalf of the appointed and elected leadership of Dallas, we encourage full support and passage of this critical funding which will allow for 45 new units of affordable housing to be constructed soon in downtown Dallas by the Polk Community Development Corporation. This funding will help pay for required site-adjacent street and sidewalk improvements to allow for vehicular, pedestrian and bicycle access from the site to nearby downtown amenities.
