

Submitter: Brad Yazzolino

On Behalf Of:

Committee: House Committee On Economic Development and Small Business

Measure: HB4124

I support HB 4124 because the cultural and economic effects of this bill will resonate for decades and that is very important for Oregon's well being and heritage!

I am an Oregon born artist and this is a necessary bill ! Preserving History and Oregon's culture Matter a great deal to the quality of life!
