

Submitter: SHAWN LOONEY

On Behalf  
Of:

Committee: House Committee On Emergency Management, General  
Government, and Veterans

Measure: HB4044

We know that Oregon is expecting a large Cascadia Subduction Zone earthquake that will cause massive destruction. Please support this study so that data can be accumulated to help plan ways to ensure public safety. We need to be ahead of this upcoming catastrophic quake and this is a necessary step. Thank you.
